SAFEGUARDING

Keeping young people *safe*

- Every young person has the right to be safe. All our staff follow our safeguarding policy.
- If a young person tells us something worrying, we'll listen and take it seriously.
- We can't keep it secret if someone is at risk of harm, but we'll explain what happens next.

FOR PARENTS AND CARERS

Good to *know*

Who is it for?
Secondary-age young people who live in Godalming and nearby villages, or go to a Godalming school. Most sessions are for ages 11–17. Some are for particular year groups.

What does it cost?
Our groups are free. Godalming Town Council funds the service.

How do I sign up?
Complete one registration form a year. It covers emergency contacts, allergies and photo consent. Some events also need a separate sign-up, which we'll say on the poster.

Who looks after them?
Trained, DBS-checked youth workers. We aim for around one adult to every ten young people at the drop-in.

What happens at the drop-in?
Doors open at 3:00pm, then a short group chat and free time. We offer an optional activity at 3:45pm and toast at 4:00pm. Sessions end at 5:00pm.

Can they come and go?
Taking part is voluntary. Our "in once" rule means that if a young person leaves the building during a session, that's them finished for the day.

School holidays?
Programmes are announced about two weeks before term ends. Open sessions are for everyone, and popular events may need a sign-up. Club4 sessions need an Active Surrey eVoucher.

If they can't make it?
Please call or email, ideally the day before, so we can offer the place to someone else.
